

SHOOT-O-RAMA

Do you like to shoot?

BOY SCOUTS OF AMERICA

On August 12th – 14th Scouts and leaders are invited to come to the San Luis Obispo Sportsman's Association's Hogue Action Pistol Range for a weekend of shooting! Scouts will be able to shoot .22 caliber rifles, shotguns, field archery, and even black powder! Scoutmasters and other leaders can take classes to become an NRA Certified Range Safety Officer and Rifle Instructor! That means that you'll be able to go on shooting sports activities with your Troop at the SLO Sportsman's range!

Scouts and leaders may camp at the range, and provide their own food. Shooting venues will be open all day Saturday for Scouts while adults will be in training.

During lunch Saturday everyone can watch professionals show off their skills in competitive pistol shooting, cowboy action, and many more! Space is limited so sign up now at www.lpcbsa.org. There will also be competitions for scouts with fantastic prizes!

We need help to organize/run this awesome event. To be on staff! contact the people below.

District Program Chair
Nick Hellewell – 805 242 2511
